**Wasser 2025 will take place on May 26–28, 2025  
in Münster**

### ▶ SCOPE OF THE CONFERENCE

WASSER is the central German conference to highlight current research in the water sector. Experts from water chemistry, water treatment and specialists from numerous water-related disciplines meet. A special focus lies on the opportunity in person to meet, to discuss current scientific challenges and to share latest scientific results on all topics related to water.

### ▶ CONFERENCE VENUE

Mövenpick Hotel Münster  
Kardinal-von-Galen-Ring 65, 48149 Münster

Further information about the conference location can be found on our webpage:

[www.wasserchemische-gesellschaft.de/de/veranstaltungen/jahrestagungen/muenster2025](http://www.wasserchemische-gesellschaft.de/de/veranstaltungen/jahrestagungen/muenster2025)

Hotel rooms to special conditions can be booked via:

### ▶ LECTURE AND POSTER SUBMISSION

Abstracts for lectures and posters on the following topics can be submitted in English or German:

- Wastewater treatment processes
- Drinking water treatment and distribution
- Analytical methods
- Detection/occurrence of nanoparticles and microplastics
- Hygiene and microbiology
- Modern bioanalytical procedures
- Detection/occurrence of natural/anthropogenic substances/pollutants
- River systems, lakes/dams and groundwater
- (Eco-)Toxicological methods/studies
- Climate change: impact on water management
- Marine chemistry
- Standardization

Please submit contributions by:

**December 1, 2025 via:**

[www.gdch.de/wasser2025](http://www.gdch.de/wasser2025)

Please highlight the innovation of your results and indicate potential applications. The scientific committee will evaluate the quality of the abstracts and is responsible for the scientific program. The time for presentations will be 15 minutes plus 5 minutes for discussion. On Wednesday poster prizes will be awarded.

### ▶ LANGUAGE

Lectures/posters and discussions are in German or English.

### ▶ PUBLICATIONS

Accepted abstracts will be published in the conference proceedings, which will be available to all participants in digital format at the beginning of the conference. In addition, selected abstracts will be published in the journal "Vom Wasser" in agreement with the authors.

### ▶ SCHOLARSHIPS

The Society of Water Chemistry offers a limited number of travel grants to students and doctoral candidates who give oral lectures or presenting posters. Application forms can be downloaded from the conference homepage:

Please send the completed form to Maike Fries (m.fries@gdch.de), with the keyword „Tagungsstipendium Wasser 2025“ by **March 1st, 2025** at the latest.

### ▶ AWARDS

At the annual conference, the Society of Water Chemistry honors outstanding doctoral theses and research in the field of water research with dedicated prizes – both sponsored by the Walter-Kölle Foundation. The deadline for submitting proposals is **October 31, 2024**. Applications should be sent to Maike Fries (m.fries@gdch.de).

### ▶ GENERAL ASSEMBLY

On Monday, **May 26, 2025**, we invite you to the General Assembly of the Society of Water Chemistry in the Mövenpick Hotel in Münster. Afterwards we will meet for a “Colorful Night of Posters” including a Science Slam with snacks and drinks.

### ▶ SOCIAL PROGRAM

On Sunday evening, **May 25, 2025**, our get-together will take place. City tours are scheduled for Monday and Tuesday afternoon. On Tuesday evening we meet for a “networking dinner”.

### ▶ JUNGES WASSERFORUM (JWF)

The JWF is a group of young researchers within the Society of Water Chemistry. For the first time in 2025, they will contribute to the conference program. On Sunday, **May 25, 2025**, a networking activity is scheduled at 3 pm. Furthermore, a career lunch is planned for Tuesday, **May 27, 2025**. You can find more information about the JWF at:
